JOHN DOE,

Defendant.

CASE NO. 4:08-CV-01038-SBA

**Honorable Sandra Brown Armstrong**

**SUPPLEMENTAL DECLARATION OF  
MATTHEW FRANKLIN JAKSA IN  
FURTHER SUPPORT OF *EX PARTE*  
APPLICATION FOR LEAVE TO TAKE  
IMMEDIATE DISCOVERY [Docket No. 3]**

**DECLARATION OF MATTHEW FRANKLIN JAKSA**

I, Matthew Franklin Jaksa, declare:

1. I am an associate in the law firm of Holme Roberts & Owen LLP ("HRO"). HRO serves as lead national counsel for Plaintiffs in this and all similar actions. I have personal knowledge of all facts set forth in this declaration, except as where stated on information and belief. As to such facts, I believe them to be true.

1           2.       On May 18, 2008, an individual identifying himself as a law clerk for the Honorable  
2       Saundra Brown Armstrong left me a voicemail message requesting that Plaintiffs submit certain  
3       supplemental materials in order to enable the Court to rule on Plaintiffs' *Ex Parte* Application For  
4       Leave to Take Immediate Discovery, filed on February 21, 2008 and entered as Docket No. 3.  
5       Plaintiffs were requested to: (1) submit to the Court the list of files Defendant has made available for  
6       distribution to the public, as referenced in Paragraph 19 of the Declaration of Carlos Linares, filed on  
7       February 21, 2008 and entered as Docket No. 7; (2) explain why Plaintiffs are unable to notice a  
8       hearing on their *Ex Parte* Application For Leave to Take Immediate Discovery, as by uploading a  
9       file to Defendant John Doe's computer through the "peer-to-peer" ("P2P") file sharing network that  
10      Plaintiffs allege was used to infringe Plaintiffs' copyrights; and (3) submit a proposed order in the  
11      format described in Judge Armstrong's Standing Order for Civil Cases and incorporating a  
12      discussion of the notice issue.

13           3.       Attached as **Exhibit A** is a true and correct copy of the list of files Defendant has  
14      made available for distribution to the public, as referenced in Paragraph 19 of the Declaration of  
15      Carlos Linares, filed on February 21, 2008 and entered as Docket No. 7.

16           4.       As explained in the Supplemental Declaration of Katheryn J. Coggon, filed herewith,  
17      it is not possible to give notice to the John Doe Defendant by uploading a file to Defendant's  
18      computer using a P2P file copying network.

19           5.       However, if the Court grants Plaintiffs' *Ex Parte* Application For Leave to Take  
20      Immediate Discovery and authorizes Plaintiffs to serve a Rule 45 subpoena on Defendant's Internet  
21      service provider ("ISP"), Defendant will have an opportunity to object before his or her information  
22      is released pursuant to the subpoena. Plaintiffs will serve a cover letter along with their subpoena  
23      that asks the ISP to notify the user of the pending subpoena so that the user can move to quash the  
24      subpoena or contact Plaintiffs directly to attempt to resolve the matter prior to the return date on the  
25      subpoena. In addition, a properly framed court order, such as the proposed order filed herewith,  
26      would ensure that Defendant has the opportunity to object before the return date on the subpoena.

27           6.       Filed along with this Declaration and the Supplemental Declaration of Katheryn J.  
28      Coggon, is a proposed order in the form requested by the Court. In addition, the proposed order

1 directs the ISP, within five days of being served, to notify Defendant that a subpoena has been issued  
2 seeking his or her records, so that Defendant will have an opportunity to file a motion to quash  
3 before the return date on the subpoena.

4 I declare under penalty of perjury under the laws of the United States of America that the  
5 foregoing is true and correct.

6 Executed this 21st day of May, 2008, at San Francisco, California.
